RENÉE GLADYS NTEGE

Aspiring MERNSTACK-developer

Graduation: May 2026

PERSONAL PROFILE

I am an ambitious MERN stack developer looking for an internship from November 17, 2025, to May 1, 2026.

I have a strong theoretical foundation in MongoDB, Express, React, Node.js, JavaScript, HTML/CSS, agile development, testing and web security.

Now, I'm excited to put my knowledge into practice, work on real projects, and learn from experienced developers.

I am a problem solver who takes initiative and enjoys collaborating to achieve goals.

I communicate clearly, thrive in team environments, and am always eager to learn more. Creating user-friendly and efficient solutions is something I'm truly passionate about!

I believe that my combination of technical understanding, dedication, and drive would make me a great asset to your team. I'd love the opportunity to contribute and grow with you!

WORK EXPERIENCE

SECURITAS TECHNOLOGY | 2023- NOW

Alarm operator

- As an Alarm operator at Securitas Technology, I am responsible for overseeing and managing security systems, including responding to alarms, analyzing incidents, and coordinating actions with relevant teams. I actively work to ensure the safety and security of our clients.

AVARNS SECURITY | 2021- 2023

Arlanda airport/Airport security

- As an airport security officer at Arlanda, I was responsible for maintaining airport security by conducting security checks of passengers, luggage, and cargo. I ensured that all regulations were followed and managed any security threats or emergencies. The role required attention to detail, effective communication, and the ability to remain calm under pressure in a fast-paced and dynamic environment.

ROWE GROUP | 2020 - 2021

Sales Development Representative

- As a Sales Development Representative at Rowe Group, I was responsible for identifying and qualifying potential clients, initiating contact, and scheduling meetings between leads and the sales team. My role involved conducting outreach via calls and emails, presenting the company's services, and assessing client needs to ensure high-quality leads. I worked closely with the sales team to optimize the pipeline, track engagement, and maximize conversion opportunities. This position required strong communication skills, relationship-building, and the ability to multitask effectively in a fast-paced environment.
