RENÉE GLADYS NTEGE

Ambitious Frontend-developer - Websecurity
Graduation: June 2026

PERSONAL PROFILE

I am an ambitious Frontend Developer seeking an internship from November 17, 2025, to May 1, 2026. I have a strong theoretical foundation in MongoDB, Express, React, Node.js, JavaScript, HTML/CSS, agile development, testing, and web security. I am now looking forward to applying everything I have learned in practice, working on real projects, and learning from experienced developers. As a person, I am a problem solver who enjoys taking initiative and collaborating to achieve goals. I communicate clearly, thrive in team environments, and am always eager to learn more. Creating user-friendly and smart solutions is something I am truly passionate about! I believe that my combination of technical knowledge, dedication, and drive would make me a valuable asset to your team. I hope for the opportunity to both learn and contribute with you!

WORK EXPERIENCE

AVARN SECURITY | 2025 - ONGOING

Security operator

- I work as a Security Operator for one of Avarn Security's clients, where I am part of the client's security department. The role involves close collaboration with various authorities on matters related to the telecommunications network, where I am responsible for handling and investigating requests. In addition, I manage video surveillance, alarm monitoring, and oversight of the headquarters, as well as conducting patrols to ensure safety and security on site.

SECURITAS TECHNOLOGY | 2023-2025

Alarm operator

- I worked as an Alarm Operator at Securitas Technology, where I was responsible for monitoring and managing security systems, including responding to alarms, analyzing incidents, and coordinating actions with relevant teams. I actively worked to ensure the safety and security of our clients.

AVARN SECURITY | 2021-2023

Airport security/Arlanda

- As an Airport Security Officer at Arlanda, I was responsible for maintaining security at the airport by conducting security checks of passengers, baggage, and cargo. I ensured that all regulations were followed and handled any security threats or emergency situations. The role required attention to detail, effective communication, and the ability to stay calm under pressure in a fast-paced and dynamic environment.

ROWE GROUP | 2020 - 2021

Meeting Coordinator

- As a Meeting coordinator at Rowe Group, I was responsible for scheduling meetings between potential clients and the company's sales team. I worked on identifying and contacting leads, presenting the company's services, and ensuring that meetings were scheduled efficiently and at suitable times. The role required strong communication skills, the ability to build relationships, and the capacity to manage multiple tasks simultaneously to maximize the number of meetings and support the sales process.
